EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 15, line 14, delete "at the intersection of **at**", and insert --at the intersection of--

REASON FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: allowance of claims 1-15 is indicated because the prior art of record does not show or suggest each of said first collapsible side and said second collapsible side comprise a first generally rectangular shaped segment laterally extending from said bottom portion and having a first radius locking tab adjoining said first segment, a second generally rectangular shaped segment laterally extending from said top portion and having a second radius locking tab adjoining said second segment, and a locking tab slot disposed at the intersection of at least one of the first and second radiused locking tabs and the corresponding one of the first and second generally rectangular shaped segment, respectively, as recited in claims 1-6; each of said collapsible side and said second collapsible side comprising an outwardly extendable tab for use in removing said collapsible microwave cooking container from a microwave oven after heating as recited in claims 8-9; at least one of said bendable segments provided to said first and second
